

PrioInfo Pan-Nordic Consortium 2011

PrioInfo Pan-Nordic Consortium 2011 consists of the below databases from Gale Cengage Learning:

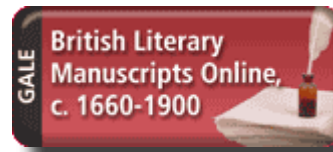

Literature Resource Center (LRC)

LitFinder

MLA International Bibliography (MLA)

British Literary Manuscripts Online (BLMO)

For many years PrioInfo has provided Nordic universities and university colleges the popular literature databases from Cengage Learning - Literature Resource Center, Modern Language Association (MLA) International Bibliography, LitFinder and British Literary Manuscripts Online via our Pan-Nordic Consortium.

Gale Literature Solutions gives access to the databases by providing a one-stop, intuitive cross-searching environment for Literature Resource Center, MLA and LitFinder as well as with any of your existing GVRL-titles. The cross-searchability give your students access to comprehensive material of criticism, biographies, journal articles, reviews, images and news as well as the works of the authors, their stories, poems and essays and everything through one and the same user friendly and attractive interface.

The interface is easy-to-use and gives access to advanced search options as well as possibilities for downloading articles to your computer, downloading material as MP3-files, print and e-mail articles as well as translate them into 11 languages, and of course the interface also provides citation tools.

British Literary Manuscripts Online gives your patrons access to unique original manuscripts from British authors during 1600th - 1900th centuries.

The databases is available in any combination with each other, all adjustable after your library's need. Please let us know what your library need and we will put together a package of suitable databases for you.
