

The value of the Gale PowerSearch Platform:

- A visually stunning interface offering a familiar, Web-like experience
- Users may create individual account profiles, name and save any search in their profile, create journal alerts and customize the interface
- Results include context-sensitive multimedia
- Enhanced publication pages with more detail, cover images and easier browsing capability
- The ability to choose from Basic, Browse Subject, Browse Publication or Advanced Search
- The option to search within result lists to target specific content
- ReadSpeaker technology to listen to audio versions of articles, or download the MP3 file for listening later
- Technology to support a diverse range of languages with on-demand translation of documents
- Opportunities to locate and share information among users and their communities with Web 2.0 technology
- Options to manage documents by e-mailing, bookmarking, downloading or printing
- 24/7 access for research needs outside the library
- And much more

InfoTrac Focus

the new unique journal collection from Gale now available via PrioInfo!

The InfoTrac Focus collection consists of more than 4 000 unique academic titles not available in any other journal collection on the market.

In InfoTrac Focus you will find unique titles from publishers such as the American Bar Association, Elsevier B.V, Springer, Lippincott Williams & Wilkins, WK Health, Oxford University Press, Sage publications and more.

Subject areas such as Medicine and Medical sciences, Economy, Law, Science, Social Sciences, Engineering and many more are represented in the collection.

For a complete title list, please contact PrioInfo.

A subscription to InfoTrac Focus runs for 12 months at a time and is renewed via PrioInfo once a year. Access is set up via IP-numbers and remote access is available.

The access is unlimited and the resource is cross-searchable with other InfoTrac collections as well as with GVRL-titles that operates on the PowerSearch platform.

Approximately 2 000 full-text titles, 90 of which with embargo.

Please contact us for further information about the InfoTrac Focus collection!
